Like Knives

Dallas Green

Your words are like knives
They peel the skin and pierce my soul
Your body will learn to love
And now your heart may still let goAnd I will blame myself
And I will blame myself for holding on
To what I hope will keep you by my side
And I will blame myselfMy sheets are stained with
Memories of your soft kiss
Now this is all I have
Deeper than I can let go and I am awareAnd I will blame myself
And I will blame myself for holding on
To what I hope will keep you by my side
And I will blame myself
