Zoo

Dragon Tales

Oooooh, walk like a chimpanzee
Hop like a kangaroo
Roar like a lion roar
Talk like a cockatoo

There's just so much to see, there's just so much to do
It's lots of fun for me, and lots of fun for you
Come on and let's go to...the zoo

Oh, yeah

Walk like an elephant
Stretch high as a giraffe
Clap like the seals do
Do your hyena laugh

There's just so much to see, there's just so much to do
It's lots of fun for me, and lots of fun for you
Come on and let's go to...the zoo
Sing it again, yeah

Walk like a chimpanzee, hop like a kangaroo
Lemme hear your lion roar, lemme hear your cockatoo
There's just so much to do...at the zoo
