

Ruinator

The Black Pacific

Dis- Dis Disinformation
Clock stops it's isolation

Another smile a search for someone
Another smile a corporate come- on
Your God given right - given right
What gives you the right?

Dis- Dis Disinformation
Mis- Miscommunication
This is Ruination - So what do I get?
Dis- Dis Disinformation
Mis Miscommunication
This is Ruination - So what do I get

This is - all distraction
Another product buy reaction
A quick shot to numb the senses
Big profits - Bigger Fences
