

# Hopelessly Yours

Lee Greenwood

I love you, I hate you,  
I'd forget you, but I'm afraid to.  
You loved me or did you'  
I'll never be sure.  
But one thing's for certain.  
In spite of this hurtin'  
I'll always be  
Hopelessly yours.

From laughin' to cryin' from livin' to dyin' from heaven to a heartache  
I know I can't cure  
But one thing's for certain  
In spite of this hurtin'  
I'll always be  
Hopelessly yours.

I cry on the slightest of notions  
'cause I'm just going through the emotions.

I love you, I hate you,  
Forget you, but I'm afraid to.  
You loved me or did you'  
I'll never be sure.  
But one thing's for certain  
In spite of this hurtin'  
I'll always be  
Hopelessly yours.

I'll always be hopelessly yours.
