The Point

Meatworks

It's not quite disaster
But we're in the dark
Let's not wait till after
It all goes too far
'Cause I'm a little blurry
I can't find you lately
When will we appear clearly?
I know that something unseen
Was stuck in between
What do we mean anymore?
And what have we won
By coming undone?
What are we fighting for?
Help me
'Cause I don't want to lose you now
Help me
'Cause I don't want to let you down
But this love has taken too much
It's breaking us bit by bit
I, I don't see the point of it
I, help me see the point of it
Love's not survival
Not when it begins
Are we still untitled
Or is this the end?
'Cause look what we've undone now
If you could reach me somehow
You would find I'm still yours now
I know that something unseen
Was stuck in between
What do we mean anymore?
And what have we won
By coming undone?
What are we fighting for?
Help me
'Cause I don't want to lose you now
Help me
'Cause I don't want to let you down
But this love has taken too much

It's breaking us bit by bit
Oh, I, I don't see the point of it
Help me, help me see the point of it
