

Change of Heart

[Cyndi Lauper](#)

Here I am just like I said I would be
I'm your friend just like you think it should be
Did you think I would stand here and lie
While our moment was passing us by?
Oh I am hereWaiting for your change of heart
It just takes a beat to turn it around
Yes, I'm waiting for your change of heart
At the edge of my seat, please turn it aroundDays go by leaving me with a hunger
I could fly back to when we were younger
When adventures like cars we would ride
And the years lied ahead still untried
While I stand hereWaiting for your change of heart
It just takes a beat to turn it around
Yes, I'm waiting for your change of heart
At the edge of my seat, please turn it aroundBlind leading blind, never feel the laughter
Search through time, nothing reveals the answer
If it's truth that you're looking to find
It is nowhere outside of your mind
I bide my timeWaiting for your change of heart
It just takes a beat to turn it around
Yes, I'm waiting for your change of heart
At the edge of my seat, please turn it aroundYes, I'm waiting for your change of heart
It just takes a beat to turn it around
Yes, I'm waiting for your change of heart
At the edge of my seat, please turn it aroundAnd I'm waiting for your change of heart
Waiting for your change of heart
