Yesterday's Gone

Ryan Cabrera

I'm not to certain of,
the things that I say,
You're always laughing at me,
every mistake I make,
Well I don't believe in,
everything that you do,
it's just a minor situation,
that makes me love you
forever I can never begin,
begin to tell you
I'm falling in your clouds
of heaven today, today
I'm in love with you, I'm in love with you
And my love is true, and
when tomorrow has begun, yesterday is gone
well I'm never certain love,
now you should know that,
we'll take one step at a time,

don't want to take it too fast,
I didn't think, that what they said was true
feel like I won my whole life
when I wake up with you
Forever, I can never begin
begin to tell you
I'm fallin in your clouds of heaven today, today
today, right now
I'm in love with you
I'm in love with you
Don't you know
All my love is true
And when tomorrow has begun, well now,
well yesterday is so far away
and I don't want to lose you again, my love
and if it takes me all my days away
