End Of The Sky

Lighthouse Family

Would you like to go somewhere unbelievable?
Where the great big blue sky seems to last forever
'Cause I feel like I'll leave it all behind
Living' in the sunshine, that's where I'm goingAnd I don't think there's anything here that I'll be missing
No, I don't think there's anything else to doSo bring on the sunshine
We're gonna fly to the end of the skyI've got to go 'cause I ain't indestructible
And I feel like I'm breaking running 'round for nothing
But I'll be all right
I'm not a million miles from seeing the daylight
That's where I'm goingAnd I don't think there's anything here that I'll be missing
No, I don't think there's anything else to doSo bring on the sunshine
We're gonna fly to the end of the skyBring on the sunshine
We're gonna fly to the end of the skySo bring on the sunshine
We're gonna fly to the end of the skyBring on the sunshine
We're gonna fly to the end of the skySo bring on the sunshine
We're gonna fly to the end of the sky
