

# End Of The Sky

## Lighthouse Family

Would you like to go somewhere unbelievable?  
Where the great big blue sky seems to last forever  
'Cause I feel like I'll leave it all behind  
Living' in the sunshine, that's where I'm going And I don't think there's anything here that I'll be missing  
No, I don't think there's anything else to do So bring on the sunshine  
We're gonna fly to the end of the sky I've got to go 'cause I ain't indestructible  
And I feel like I'm breaking running 'round for nothing  
But I'll be all right  
I'm not a million miles from seeing the daylight  
That's where I'm going And I don't think there's anything here that I'll be missing  
No, I don't think there's anything else to do So bring on the sunshine  
We're gonna fly to the end of the sky Bring on the sunshine  
We're gonna fly to the end of the sky So bring on the sunshine  
We're gonna fly to the end of the sky Bring on the sunshine  
We're gonna fly to the end of the sky So bring on the sunshine  
We're gonna fly to the end of the sky
