I Won't Let You Lie To Yourself

Corinne Bailey Rae

lovin' you is hard
lovin' you is wonderful
when you're holdin' back
is it so impossible
tell me why
i try
to control what's on your mind
and you should be here
(here by my side)
you shouldn't be makin' me cry
(no making me cry)
nooooso don't go sayin'
contemplatin'
that i'm better off alone
cuz you're amazing
you drive me crazy
when you gonna know
you're too proud to let it show
but i won't let you lie to yourselfyou got it in your head
i was made for someone else
not you you you
it's a little late
you make all my dreams come true
tell me why
i try
to conrol what's on your mind
well you should be here by my side
(here by my side)
you shouldn't be makin' me cry
(no making me cry)
noooso don't go sayin'
contemplatin'
that i'm better off alone
cuz you're amazing
you drive me crazy
when you gonna know
you're too proud to let it show
well i won't let you lie to yourself(no need to worry)
no need to worry

(im in no hurry)
i've got all the time in the world for you baby
(cuz when you're in my arms)
when you're in my arms
you're the feelin'
i'll keep on tellin' you 'til you believin'so don't go sayin'
contemplatin'
that i'm better off alone
cuz you're amazing
you drive me crazy
when you gonna know
you're too proud to let it show
i won't let you lie to yourself
