

# Careful

Paramoreä•€

I settle down a twisted up frown  
Disguised as a smile, well, you would have never known  
I had it all, but not what I wanted  
'Cause hope for me was a place uncharted and overgrown  
You'd make your way in  
I'd resist you just like this  
You can't tell me to feel  
The truth never set me free  
So I did it myself  
You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out a little more  
More, more, more, more  
Open your eyes like I open mine  
It's only the real world, life you will never know  
Shifting your weight to throw off the pain  
Well, you can ignore it, but only for so long  
You look like I did  
You resist me just like this  
You can't tell me to heal  
And it hurts remembering  
How it felt to shut down  
Can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out a little more  
More, more, more, more  
The truth never set me free  
The truth never set me free  
The truth never set me free  
So I'll do it myself  
You can't be too careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out  
Can't be too careful anymore  
When all that is waiting for you  
You won't come any closer  
You've got to reach out more  
More, more, more, more
