

# Small Time

## Scarface

I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I gotta do what I gotta do in this game  
I started small time, dope game, cocaine  
I went from quarters to ounces to slangin' ki's bitch  
I went from rags to riches and I'm stackin' G's quick  
Now the popo's wanna come and get a nigga  
I'm gonna knock 'em on they ass 'cuz my shit is bigga  
I got my block sewed up, got them rocks swole up  
Keep my shit on cock in case they roll up Niggas wanna stick me for my G's and ki's  
But believe I'm gone make dem bitches bleed indeed  
You can bring it, bring it, bring it but you can't stop this  
Bulletproof in case you bitches try to pop this  
Can't stop what I'm ishin' out, I'm thugged out  
Final real Cormega shit, a drughouse  
Get the razorblade and a test tube and a cocaine  
Niggas swell in this dope game, check me out I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I'm on a all night flight  
Swingin' these others, got these cluckers all on me  
Steady sweatin' me for credit, tryin' to act like they know me  
Show me the money, it ain't funny  
Want a twenty or a dime, see I'm a hustla on the grind  
Can't do nothin' for five, get out my face  
This ain't the place to run game on me homie  
That five dollars that you shakin' can't change nothin' here, homie I saw some misses 'bout the riches  
Double cross me, swim wit' the fishes  
I'm inchin' wit' one-way tickets  
To them bitches who didn't get it, get it  
Twist it, paper chasin' on this bacon I'm makin'  
All that plottin' and that fakin', got you dancin' wit' Satan See you hatin' on a playa, way too major for bustas

Bring the ruckus muthafuckas if you think you can touch us  
Get on the prime co's, load the black rhinos in the 5-4  
Villain, killin' children barricadin' my millions  
While I'm small time dealin', I'm just smugglin' chickens  
Get my G's in position, I'm cookin' ki's in the kitchen  
Small time I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I got a pocket full of stones where the fiends at  
Got them big ol' boulders, that's where the G's at  
Can't fuck wit' rattin' ass hoes, a bitch don't need dat  
And for you jackin' ass niggas I'll have that heat, yeah  
I'm takin' 'em down, I'm beatin' that ass  
I'm puttin that thang all in dey face  
Comin' for my G's, nigga please  
Bitch, it's steady straight, makin' 'em, gettin' dividend  
Got it hot, yeah, in-between If them popo's come and get me, let me out, I'm doin' again  
We low, kilo, everythang I worked fo'  
Have my girl workin' that corner, don't come up in this short, hoe  
Never seen, you know what I mean, all about that crispy green  
Have it sewed up from H-town back to New Orleans  
Murder, murder if you play me short  
Takin' heads clean off this bitch and bustin' hard  
Fiends have my block on fire and have me workin' it  
And my boys on the corner out there twirkin' it, they twirkin' it I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard I started small time, dope game, cocaine  
Pushin' rocks on the block, I'm never broke main  
Sportin' jewelry and the shit they came wit rollin' hard  
You try to serve me, you'll get served wit' no regard
