Don't Run Away

Close Counters

When something?s wrong
And too much to handle
Try to find some peace of mind
Let it go.
Wait a minute, you know this road
It?s gonna leave you on overload
Yeah?
?Cause somebody cares, yeah
I can see you hurting (turn around)
I will be right there
Don?t run away (x3)
When I reach out to you, look around
I will be right here
Don?t run away (x3)
Tonight
Hmm?
Don?t make a sound
I?ll be your voice
You don?t need to be afraid
Anymore
I?ll shine a light out in the dark
Guide you here no matter how far
Ooooohhh, yeah

?Cause somebody cares, oh yeah
I can see you hurting, (turn around)
I will be right there
Don?t run away (x3)
When I reach out to you, look around
I will be right here
Don?t run away (x3)
Tonight
Open up
Let it all out tonight, yeah
Open up
And everything will be alright
I can see you hurting, (turn around)
I will be right there
Don?t run away (x3)

When I reach out to you, look around
I will be right here
Don?t run away (x3)
(Layered vocals of these words)
Oh, away, away, away, away, away
Don?t run away
Oooh, yeah
Tonight
Tonight
