

# 6 Underground

## Sneaker Pimps

Take me down, 6 underground  
The ground beneath your feet  
Laid out low, nothing to go  
Nowhere a way to meet I've got a head full of drought, down here  
So far off losing out 'round here  
Overground, watch this space  
I'm open to falling from grace Calm me down, bring it round  
Too way high off your street  
I can see like nothing else  
In me, you're better than I wannabe Don't think 'cos I understand, I care  
Don't think 'cos I'm talking we're friends  
Overground, watch this space  
I'm open to falling from grace Talk me down, safe and sound  
Too strung up to sleep  
Wear me out, scream and shout  
Swear my time's never cheap I fake my life like I've lived  
Too much, I take whatever you're given, not enough  
Overground, watch this space  
I'm open to falling from grace
