

Girl, You Have No Faith in Medicine

The White Stripes

Girl, you have no faith in medicine.

Oh Girl you have no faith in medicine.

Acetaminophen, You see the medicine oh girl Is there a way to find the cure for this implanted in a pill?

Is it just the name upon the bottle That determines if it will?

Is the problem you're allergic to a well familiar name?

Do you have a problem with this one if the results are the same? Acetaminophen, You see the medicine

Oh Girl, you have no faith in medicine

Oh Girl you have no faith in medicine.

Acetaminophen, You see the medicine oh girl. Girl, you have no faith in medicine

Acetaminophen, You see the medicine oh girl. Well strip the bark right off a tree and just hand it this way.

Don't even need a drink of water To make the headache go away.

Give me sugar pill and watch me just rattle Down the street Acetaminophen you see the medicine

Oh Girl, you have no faith in medicine
