

Hustler

Gary Primich

Iâ€™m your hustler baby
Let me play it straight pool with you
Iâ€™m your hustler baby
Let me play straight pool with you
Iâ€™ll bank my 8-ball in your little ole pocket
Any way you want me to.

Rack yourself now little girl
I will take my queue
Iâ€™m gonna run your table
All night before weâ€™re through
Iâ€™m your hustler baby
Let me play straight pool with you
Iâ€™ll bank my 8-ball in your little ole pocket
Any way you want me to.

(guitar solo)

Now I run with Luther Wimp
Minnesota Fats, Jackie Gleason
They ainâ€™t where Iâ€™m at
Iâ€™m your hustler baby
Let me play straight pool with you
Iâ€™ll bank my 8-ball in your little ole pocket
Any way you want me to.

Now my game is not one pocket
My game is not pea pool
My game is better than a government check
Youâ€™re sure to think itâ€™s cool
Iâ€™m your hustler baby
Let me play straight pool with you
Iâ€™ll bank my 8-ball in your little ole pocket
Any way you want me to.
(Thatâ€™s right, baby!)

(harp solo â€“ ending)
