Girl That's Hip

Tim Carroll

I want a girl I can take home to Mother

And Introduce to my Sister and my Brother

Take her 'round to meet my Uncle and my Aunt

She can do what the coolest girls can't

I want a Girl That's Hip
I want a Girl That's Hip
I want a Girl That's Hip

but not That hip

Now I want a girl that thinks I'm funny

But not just when I got some money

I want a girl that knows the town

But not the other way around

I want a Girl That's Hip
I want a Girl That's Hip
I want a Girl That's Hip

but not That hip
not That hip

(music)

I want a Girl That's Hip
I want a Girl That's Hip
I want a Girl That's Hip

but not That hip

I want a girl that knows the score

Who doesn't always ask for more

Someone to give me advice

Who finds away to put it nice

I want a Girl That's Hip
I want a Girl That's Hip
I want a Girl That's - Hip but not That hip

not That hip
not That hip
not That hip
