

# This Is Not the End

[Gungor](#)

This is not the end  
This is not the end of this  
We will open our eyes wide, widerThis is not our last  
This is not our last breath  
We will open our mouths wide, widerAnd you know you'll be alright  
Oh and you know you'll be alrightThis is not the end  
This is not the end of us  
We will shine like stars bright, brighter
