

# Sunshine

## Matisyahu

[Verse 1:]Keep on moving to the first rays of dawn

Keeping it on till the day stays strong

Rolling till the night time blazes on

All along- I keep singing my song

I said, this phase is, always

Sometimes I get so crazed

But just know that ill always stay

Cause your my light through the haze

[Chorus:]Its time for a champion

Soothe the soul of the land

Mend the heart from the sea and the sand

till the sun comes up again [x2]

Reach for the sky

Keep your eye on the prize

Forever in my mind

Be my golden sunshine

Its raining in your mind

So push them clouds aside

Forever by my side

Your my golden sun

[Verse 2:]When the Sunset I let myself down

Found the ground beneath my feet gone

No more words were there speak

On that day my song was born

Never meant to leave you all alone

Said I'd be your shelter from the storm

Now your clothes have all been torn

Kingdom sacked attacked and dethroned

[Chorus]

Reach for the sky

Keep your eye on the prize

Forever in my mind

Be my golden sunshine

Its raining in your mind

So push those clouds aside

Forever by my side

You' re my golden sun

It's the way of the world

Your on your own

Time to grow and be a man  
Want to fly high like peter pan  
No more never never land  
So loose your backpack filled with sand  
Come along and take my hand  
We'll walk together- walk forever  
Reach for the sky  
Keep your eye on the prize  
Forever in my mind  
Be my golden sunshine  
Its raining in your mind  
So push those clouds aside  
Forever by my side  
You' re my golden sun  
Reach for the sky  
Keep your eye on the prize  
Forever in my mind  
Be my golden sunshine  
Its raining in your mind  
So push the clouds aside  
Forever by my side  
You' re my golden sunshine
