

Silly Girl

Descendents

(Lyrics and Music by B. Stevenson)

Started on a summer Sunday, the pink dress on the setting sun
You were going to grandma's house, I was too scared to come

* Silly girl, I'm beggin' you

Tell me all the things I want to hear

Silly girl, I'm in love with you

I had to run to catch you, you always move so fast
With your cute little smile and silly laugh, God gave me love at last

*

*** They said just stay away and now I wish I had

I'm so in love with you, my silly girl

They made me go away, sometimes life isn't fair
But I'll be back some day, I hope you'll still be there

*

When you're just a silly boy like me, you're always so scared

I was too scared to love you, even though I really cared
