# Heart And Soul

## Taylor Hicks

Sometimes we get weary
And find ourselves alone
In a world full of darkness
For those who have no home

This time, now, love's taking its toll
So far, I'm living off of heart and soul
Heart and Soul

I know love is around the corner
And heartache's around the bend
When will this lasting darkness
Ever come to an end?

This time, now, love's taking its toll
So far, I'm living off of heart and soul
Heart and Soul

They say love is an empty pocket
Where fools love to dwell
I can see by the looks of it
It goes to show that you never can tell

This time, now, love's taking its toll
So far, I'm living off of heart and soul
Heart and Soul
Oh, honey,
Heart and Soul
