

Baby Stay

Nyoy Volante

Baby stay, forever
Say you'll be right there to love me a lifetime
Say you will be mine
And I promise you I'll love you forever
'Til the end of timeBaby, make up your mind, one day you love me
The next day you don't
Baby, quit playing games, you seem to like it
But baby, I don'tOoh, I can see exactly what you do to me
It's plain to see, aah
Never ever thought that I would lose my mind
I did this timeBaby stay, close to me
Say you'll be right there to love me a lifetime
Say you will, say you will be mine
For all time and I promise you, I'll love you forever
I'll be there 'til the end of timeLady, why can't you see
We fit together, we're meant to be
Lady, if you were mine, I'd treat you gently
You're one of a kindOoh, I can see exactly what you do to me
It's plain to see, aah
Never ever thought that I would lose my mind
I did this timeBaby stay, close to me
Say you'll be right there to love me a lifetime
Say you will, say you will be mine
Oh yeah, and I promise you I'll love you forever
I'll be there 'til the end of timeYeah yeah babe
Oh yes, I will
Oh yes, I will
I wanna be the one for you, nowOh yeah babe
Oh yes, I will
Oh yes, I will
Don't want nobody else but youOh yeah yeah yeah yeah'Cause I, 'cause I, 'cause I, 'cause need you
Gotta, gotta have you
'Cause I need you
I gotta, gotta have you, oh yeah
Say I gotta, gotta have youSay you will be mine
And I promise you I'll love you forever
I'll be there 'til the end of timeBaby stay
Say you'll be right there to love me a lifetime
Say you will be mine

And I promise you I'll love you forever
I'll be there 'til the end of time
