Chumbawamba

With a W and a W and a W dot
With a W and a W and a W dot
With a W and a W and a W dot Ooh, Mr. Murdoch can I show you around?
A new religion, no beat no rhythm
Just Walmart wall to wall
A Kodak baby in the land of plenty
Honey, I blew up the world With a W and a W and a W dot
With a W and a W and a W dot
With a W and a W and a W dot
