

Never Knew Love Like This Before

[Stephanie Mills](#)

I never knew love like this before
Now I'm lonely never more
Since you came into my life
You are my lovelight, this I know
And I'll never let you go
You my all, you're part of me Once I was lost and now I'm found
Then you turned my world around
When I need you, I call your name 'Cause I never knew love like this before, opened my eyes
'Cause I never knew love like this before, what a surprise
'Cause I never knew love like this before This feeling's so deep inside of me
Such a tender fantasy
You're the one I'm living for
You are my sunlight and my rain
And time could never change
What we share forever more, ooh I never knew love like this before
Now I'm lonely never more
Since you came into my life 'Cause I never knew love like this before, opened my eyes
'Cause I never knew love like this before, what a surprise
'Cause I never knew love like this before, inside of me
I never knew love like this before, opened my eyes Never, never, never knew love like this
Never, never, never knew love like this
Never, never, never knew love like this
Never, never
