

Do You Like Criminals

Westside Connection

Westside, Westside Say, hoe, I got way more dick
Than them niggas who be rollin' you Lexos
No punk ass Versace gear
Just the nigga with the triple 1 braids in his beard Quick to get the pussy drippin', so quit trippin'
Like you got a cap a nigga resemblin' Donnie Simpson
Hoe I'm from the Wild, Wild West, fuck them preppy niggas
You need to get with this malt liquor sipper Picture me sippin' over ya? Never, how ya figure
I'll be cryin' over yo ass like a baby face nigga?
Bitch, you better be glad, I got 3 strikes
Because back in '85, I'd been done gave your ass a black eye See I been wavin' at your ass all week
But all you do is roll your eyes like your shit don't stinks
So now it's time a nigga clown your ass
Because I can tell from the tattoos
You's a high class hood rat Don't want to fuck with niggas in khakis
But hoe, I bet for the dough
You quick to jack that ass like a 4
So quit frontin' on a nigga an' lick these
An' bitch, hit the road with your fucked up weave How would you like to get a ruff nigga rugged an' raw
Outlaw rollin' down the shaw?
Do you want a mothafucka that's hard
Or a bitch made nigga, cute as El Debarge? Do you like negros
Him an' those individuals called criminals? How'd you figure a West Coast nigga?
Drinkin' liquor, gots to know how to dig you
When we dated, straight fade it, penetrated
Ms. Sophisticated, no, Daddy hate it Never met a nigga quite as fly as me
All bottled up in your high society
You want to check my mental
'Cause how could a nigga from South Central roll in a Benzo Spice in ya life is what you need
You intrigued by the smell of my weed
I represent reality in your world full of lies
An' I can see it in your eyes, you worried sick an' I'm chillin'
Tell your family to fuck off an' roll with this villain Do you like negros
Him an' those individuals called criminals?
Do you like negros
Him an' those individuals called criminals? Who wanna fuck wit it? I put it down for real tho
It's Mack 10 an' let you niggas know I'm gung ho
Baby, I guess, maybe I can get with your program
With hunnit spode tonas on my front an' back Broham Hit a lick or two, make your whole life a thriller
Make you wanna shake the nerd an' come ride with a killa

Hot as sauce, out the floss, no need to be discreet
 I swing the fuck out this bitch 'til my bumper touch the street
 On switches an' I'm workin', jerkin' hot, ya nigga
 smirkin'
 Jack the ass up an' down 'til my back wheels is chirpin'
 You need to be with me, bitch, you too fuckin' Bombay
 To be on the Shaw with a nigga with a Hyundai
 I take you through my neighborhood raise, where crime pays
 No Girbauds, no fades, just khakis an' French braids
 An' my friends is niggas that know what ends is
 In high top Chucks, pushin' V 12 Benzes
 With hoochy hoes, groopy hoes
 You know those with a gang of money lolo' an' penitentiary fo do's
 So shake him now, no need of waitin' for debatin'
 Slam the door on them five stars an' hop on these Daytons
 Dee, dee, dee, daddi, daddi, dee, dee, daddi day
 I come from the crew, I thought you knew that don't play
 I see your frownin' but I'm clownin' anyway
 Can't nobody fade K-Dee baby
 I know you're Catholic, but can you have dick?
 Up in them guts, all the way to these nuts
 Your a rich girl, far from skeezer
 I'm playin' at the mall with your Visa
 You wanna swang with K-Swinger
 When the West is in the house, oh, my God, danger
 But take a hit you'll live
 But when you hit it hoe you got to puff, puff give
 Now I see you gigglin'
 But all I wanna see is asses wigglin' an' titties jigglin'
 So what you wanna do?
 Don't go chasin' waterfalls
 Stick to them dicks an' balls, you're used to
 Go ahead an' take a big lick
 'Cause girls look so good on the end of my dick
 That's right, is it tight? I know you ain't a dyke
 What type of nigga do you like, bitch?
 Do you like negros
 Him an' those individuals called criminals?
 Do you like negros
 Him an' those individuals called criminals?
 Bitch, I'm from the Wild, Wild West
 Can't you tell buy the 'S' on my chest
 We got hoes for days
 Plus we claimin' no stress, no mothafuckin' dress
 Do you like negros
 Him an' those individuals called criminals?
 Do you like negros
 Him an' those individuals called criminals?
 Bitch, I'm from the Wild, Wild West
 Can't you tell buy the 'S' on my chest
 We got hoes for days
 Plus we claimin' no stress, no mothafuckin' dress
 Do you like criminals?
