

Love Has The Power

Toto

(Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah) There was too much hatred
There was too much starvation
Too much inhumanity Ohh ohh ohh ohh ohh
Ohh ohh ohh ohh ohh
Some people get the kicks out of throwing bricks at me
And no real reason, just jealousy
Angry words and bad attitudes
Is gonna get you nowhere
Watchin' you, watchin' me
It's alright
'Cos love will make it right Love has the power, strong as a tower
You can lean on
Love is a fire, a burnin' desire
It's so warm
Ohh ohh ohh
(Yeah, yeah, yeah, yeah)
Yes!
(Yeah) Some believe in Almighty Dollar
Some don't believe in nothin' at all
There's a power that's within you
It will never never ever let you down I'm the way
(I'm the key to liberty and unity)
Are you listenin'? Love has the power, strong as a tower
You can lean on
Love is a fire, a burnin' desire
It's so warm, warm
(Yeah, yeah, yeah, yeah)
Yes! Yeah
(Yeah, yeah, yeah, yeah, yeah)
Ohh ohh ohh ohh One hundred million voices singing
(Can you hear the voices singing?)
No weak, no strong, no right, no wrong
Imagine
(You gotta keep imagining)
Impossible, the sceptics say
Wait and see there's gonna come a day

(Woh woh woh woh) Love has the power, strong as a tower
You can lean on
Love is a fire, a burnin' desire
It's so warm, warm
Love has the power, strong as a tower
You can lean on, lean on, lean on, lean on Love has the power, strong as a tower
You can lean on
(Yeah, yeah, yeah, yeah)
Yes! Yeah
(Yeah, yeah, yeah, yeah, yeah) There's no difference between black or white
(Ohh ohh ohh ohh ohh)
The light of life
I can hear the children laughing
Men at war, stop your worries
Give peace a chance
There's a new day dawning
Come together
Come together, come together
(Wisdom is the mouth of peace, of innocence)
(Yeah, yeah, yeah, yeah, yeah) (Ohh ohh ohh ohh ohh)
(Ohh ohh ohh ohh ohh)
(Yeah, yeah)
(Ohh ohh ohh ohh ohh)
