# Here We Go...

## Danny Fernandes

[Chorus]
Do yourself a favor, buckle up, it's about to go down when I show you this type of love , four, three, two ,one, here we go, here we go ,here we go, yeah, here we go, here we go, here we go, yeah
Do you want a little dose of what I got to give to you? Do you want something that's real cause I can give you something true? Do you want to live your live as somebody else's wife? When you know you had the most fun that you ever had tonight.
[Chorus]
Do yourself a favor, buckle up, it's about to go down when I show you this type of love , four, three, two ,one, here we go, here we go ,here we go, yeah, here we go, here we go, here we go, yeah

Do you want to stay forever, we can do it just like this? Do you like it how my hands caress your body as we kiss? Do you want to do it right? This might last a million nights, baby girl you only live one time so why you thinkin twice?
[Chorus]
Do yourself a favor, buckle up, it's about to go down when I show you this type of love , four, three, two ,one, here we go, here we go ,here we go, yeah, here we go, here we go, here we go, yeah
[Chorus]
Do yourself a favor, buckle up, it's about to go down when I show you this type of love , four, three, two ,one, here we go, here we go ,here we go, yeah, here we go, here we go, here we go, yeah
Here we go, here we go, here we go, yeah, here we go, here we go, here we go, yeah.
