

Monster at the End

Anthrax

Do you think that you're worth anything?
do you think that you had anything?
was it just another dream with a
monster at the end.

Promise you get what you
want but instead you getting want you need.
This ain't just another dream with a
monster at the end.

Down in under where the
damned are rotting down in
under where you pay your
golden halo is burned and
melted crown the monster at the end.

The wall of sleep is crumbling
and your consciences are tumbling
a massive gaping serpent uncoiled
and wake. In the face of something's
hell sins of yours an angel fell a
monster hiding in plain sight its a
monster at the end.

Down in under where the
damned are rotting down in under
where you pay your golden halo
is burned and melted crown the
monster at the end.

Its coming.....Its coming.....Its coming
the monster is unleashed!!!!

(Solo)

Now that crown is on your head X3 you're that monster at the end.

(Solo)

Its coming.....Its coming.....Its coming.

(chorus)

Its coming..... Its coming..... Its coming.

(chorus)
