Tell Me Now

:Wumpscut:

Tell me that you want
That you fulfill my desire
Tell me it will last forever
Tell me you are mine
That I only wanted your heart
Please tell me that you love meAnd that you will forgive me
That I never wanted the pain
Tell me that you want
Tell me it will last forever
That you fulfill my desire
And that you will forgive me
Tell me you are mine
That I only wanted your heart
That I never wanted the pain
Please tell me that you love meTell me that you wantTell me now and here
That you fulfill my desire
You are just mine
Tell me god will forgive me
Even he doesn't love me
