Whistle

Brisa RochÃ©

Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go
(Look) I'm betting you like people
And I'm betting you love freak mode
And I'm betting you like girls that give love to girls
And stroke your little ego
I bet you I'm guilty your honor
That's just how we live in my genre
Who in the hell done paved the road wider?
There's only one flo, and one rida
I'm a damn shame
Order more champagne, pull a damn hamstring
Tryna put it on ya
Bet your lips spin back around corner
Slow it down baby take a little longer
Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go
Whistle baby, whistle baby,
Whistle baby, whistle baby
Whi-whistle baby, whistle baby
Whistle baby, whistle baby
Whi-whistle baby, whistle baby
It's like everywhere I go
My whistle ready to blow
Shorty don't leave a note
She can get any by the low

Told me she not approved

It's okay, it's under control
Show me soprano, 'cause girl you can handle
Baby we start snagging, you come up in part clothes
Girl I'm losing wing, my Bugatti the same road
Show me your perfect pitch, you got it my banjo
Talented with your lips, like you blew out a candle
So amusing, now you can make a whistle with the music
Hope you ain't got no issue, you can do it
Even if it no picture, never lose it
Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go
Whistle baby, whistle baby,
Whi-whistle baby, whistle baby
Whistle baby, whistle baby,
Whi-whistle baby, whistle baby
Go girl you can twerk it
Let me see you whistle while you work it
I'mma lay it back, don't stop it
'Cause I love it how you drop it, drop it, drop it on me
Now, Shawty let that whistle blow
Yeah, baby let that whistle blow
Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go
Whistle baby, whistle baby,
Whi-whistle baby, whistle baby,
Whistle baby, whistle baby,
Whistle baby, whistle baby
