

4th of July, Asbury Park (Sandy)

Bruce Springsteen

Sandy, the fireworks are hailin' over Little Eden tonight
Forcin' a light into all those stony faces left stranded on this warm July
Down in town the circuit's full of switchblade lovers so fast, so shiny, so
sharp

As the wizards play down on Pinball Way on the boardwalk way past dark
And the boys from the casino dance with their shirts open like Latin lovers
on the shore

Chasin' all them silly New York virgins by the score

And Sandy, the aurora is risin' behind us
This pier lights our carnival life forever
Oh, love me tonight for I may never see you again
Hey Sandy girl
Now, now baby

Now the greasers, oh they tramp the streets or get busted for sleeping on the beach all night
Them boys in their high heels, ah Sandy their skins are so white
And me I just got tired of hangin' in them dusty arcades bangin' them pleasure machines
Chasin' the factory girls underneath the boardwalk where they all promise to unsnap their jeans
And you know that tilt-a-whirl down on the south beach drag
I got on it last night and my shirt got caught
And they kept me spinnin', didn't think I'd ever get off

Oh Sandy, the aurora is risin' behind us
This pier lights our carnival life on the water
Runnin' laughing beneath the boardwalk, oh with the boss' daughter

I remember Sandy girl
My my my my baby

Sandy, that waitress I was seeing lost her desire for me
I spoke with her last night, she said she won't set herself on fire for me anymore
She worked that joint under the boardwalk
She was always the girl you saw bopping down the beach with the radio
The kids say last night she was just like a star in one of 'em cheap little seaside bars
And I saw her parked with lover boy out on the Kokomo

Dj'hear the cops finally busted Madame Marie for tellin' fortunes better than they do
For me this boardwalk life's through baby

You ought to quit this scene too

Sandy the aurora's rising behind us
This pier lights our carnival life forever
Oh, love me tonight, and I promise I'll love you forever

Oh, I mean it sandy girl
My my my my my my baby
Yeah, I promise Sandy girl
Shalalala my baby
