

# Blame (feat. John Newman)

Calvin Harris

Can't be sleepin'  
Keep on wakin'  
Is that the woman next to me?  
Guilt is burning  
Inside I'm hurting  
This ain't a feeling I can't keep So blame it on the night  
Don't blame it on me  
Don't blame it on me  
Blame it on the night  
Don't blame it on me  
Don't blame it on me Blame it on the night  
Don't blame it on me  
Don't blame it on me  
So blame it on the night  
Don't blame it on me  
Don't blame it on me  
Don't blame it on me Can't you see it, I was manipulated by it  
Too little to the dawn  
I had no choice in this  
I was a friend she missed  
She needed me to talk So blame it on the night  
Don't blame it on me  
Don't blame it on me  
Blame it on the night  
Don't blame it on me  
Don't blame it on me Blame it on the night  
Don't blame it on me  
Don't blame it on me  
So blame it on the night  
Don't blame it on me  
Don't blame it on me  
Don't blame it on me Oh I'm so sorry, so sorry baby  
Yeah  
Ooh I got defense (oh I promise I'll be better this time, I will be better this time)  
Oh I promise (I'll be better this time, I will be better this time) Don't blame it on me  
Don't blame it on me
