Loving Every Minute

Lighthouse Family

You told me not to make you wait
Then you don't call for days
You told me not to be too late
Then you don't come to meHow many times you're gonna let me down?
You're keeping me hanging on as if
I'm wrapped around your fingerNever believed that I'd ever find myself
Looking up to the upper hand and
Loving every minute, babyI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeTotally lost the way you came
Rainbow colored day
Opened out the way you changed
Then it all starts to fadeHow many times you're gonna let me down?
You're keeping me hanging on as if
I'm wrapped around your fingerNever believed that I'd ever find myself
Looking up to the upper hand and
Loving every minute, babyI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeHow many times you're gonna let me down?
You're keeping me hanging on as if
I'm wrapped around your fingerNever believed that I'd ever find myself
Looking up to the upper hand and
Loving every minute, babyI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeI won't mind, ain't gonna give up
As long as I know my own mind
Don't wanna quit after all this timeI won't mind, ain't gonna give up
As long as I
