New Year

Karmina

You follow the leader,
I'll follow myself.You believe in the one thing,
And I'll believe in everything else.You live in your prison,
Shackled by your fear.Stay within your boundaries,
And I'll be out here,
Outside, living my life
In the absence of you.
And coming alive in a moment of truth.'Cause it's a new year, a new day.
I'm going to be OK.
I'm going to make it,
It will be better this way,
With a midnight kiss and sparkling champagne.New year, a new day.
I'm going to graduate.
I'm going to take this -
Whatever's coming my way -
With a midnight kiss and sparkling champagne.Standing up ...I'll start out on this journey,
Walking on the ice.
I'm careful where I'm stepping,
And squeezing my eyes
'Cause it's bright
Making things right in the absence of you
I'm not just going to survive,
I'll be better off too.'Cause it's a new year, a new day.
I'm going to be OK.
I'm going to make it.
It will be better this way,
With a midnight kiss and sparkling champagne.New year, a new day.
I'm going to graduate.
I'm going to take this -
Whatever's coming my way -
With a midnight kiss and sparkling champagne.Oh and I don't know why
There are moments in life
That our shoulders cannot take.
And we try to be strong,
But it lasts for so long
'Til we break.And we find all the reasons to pick up the pieces,
But we'd have to be OK, OK.
I'm going to make it.
I'm going to make it.New year, a new day.

I'm going to be OK.
I'm going to make it,
It will be better this way,
With a midnight kiss and sparkling champagne.New year, a new day.
I'm going to be OK.
I'm going to make it,
It will be better this way.
With a midnight kiss and sparkling champagne.New year, a new day.
I'm going to graduate.
I'm going to take this -
Whatever's coming my way -
With a midnight kiss and sparkling champagne.I'm going in...I'm going in 360
Plus my right hand
It's going to be a damn good book this year
