

# The Wind

## Zac Brown Band

Thirty thousand feet above  
The city where I fell in love with you  
And the fading country skyline  
Brings an urban lullaby  
That still rings true When I passed you on the street that day  
Shoulda let that rest gon' fly away  
Like any chance I had of keeping you  
Like the Northern Wind that blowin'  
Yeah my lonely heart is frozen  
Never knew I'd find a way to break yours too Where the wind blows babe  
You can bet  
I'll be riding high with it  
Holding on for my dear life  
Just like I always did Close your eyes babe  
Take a breath, say my name  
And I'll be there  
My love will find you anywhere  
Anywhere my love The city lights will light the country sky  
We're staring at the stars turned upside down  
I wish I may, I wish I might  
Find it in your heart to stick around  
I hate it had to end this way  
Tomorrow is a brand new day  
And the chances of seeing love  
Are precious few  
If someone's out there waiting  
For a sweet good time and a lady  
To make you smile like I always wanted to Where the wind blows babe  
You can bet  
I'll be riding high with it  
Holding on for my dear life  
Just like I always did Close your eyes babe  
Take a breath, say my name  
And I'll be there  
My love will find you anywhere  
Anywhere my love So I found out  
Our memories, my lullaby and love won't lie  
It was love done right  
You'll be waiting on the other side

Arms open wide if love don't lie  
Lie we can fly Where the wind blows babe  
You can bet  
I'll be riding high with it  
Holding on for my dear life  
Just like I always did Close your eyes babe  
Take a breath, say my name  
And I'll be there  
My love will find you anywhere  
Anywhere my love
