Below the Line

Brainstorm

You think you know what lifes all about
There's nowhere to hide
And nowhere to runThis is my life, broken for you
Blessed are the blind
My favorite viewBut something inside me is still alive
It seems that my soul has survivedNo one can escape your web of lies
And no one can escape your dreams
No one knows where my future lies
No, when I'm out of sightIf you can see, if you can see
Give me a sign, give me a sign
I'll look in the mirror, I'll look in the mirror
And see the line, and see the line
I cannot leave, I cannot leave
My ways behind, my ways behind
And seek for weakness, and seek for weakness
Below the line, below the lineYou confess my sense of guilt
Cause you've been
In darker placesWherever I turn, there is pain
I know that evil
Has many facesWhat's yours is mine
As I am proceeding into your mindNo one can escape your web of lies
No one can escape your dreams
You were never supposed to be
So get your sickness away from meIf you can see, if you can see
Give me a sign, give me a sign
I'll look in the mirror, I'll look in the mirror
And see the line, and see the line
I cannot leave, I cannot leave
My ways behind, my ways behind
And seek for weakness, and seek for weakness
Below the line, below the line
Below the line
Below the lineIf you can see
Please give me a signAnd no one can escape your dreams
No one knows where my future lies
No, when I'm out of sightIf you can see, if you can see
Give me a sign, give me a sign
I'll look in the mirror, I'll look in the mirror
And see the line, and see the lineIf you can see, if you can see

Give me a sign, give me a sign
I'll look in the mirror, I'll look in the mirror
And see the line, and see the line
I cannot leave, I cannot leave
My ways behind, my ways behind
And seek for weakness, and seek for weakness
Below the line, below the line
