## Interloper

Many have come and gone  
Still left out of the guttural swansong  
Takin' nothin' but the best in the area  
Givin' me grief but fucker I'll stare you down  
2-3 you're out of there  
Maybe it's me but I'm frantic in a panic  
Ain't never had a problem since you stopped comin' here  
Big man walkin' but bitch, I'm still talkin'  
Can't you see it's gotta be this way?  
Gimme any reason why I'd need you, boy  
Gimme any reason why I'd need you, boy  
Gimme any reason why I'd need you, boy  
Gimme any reason not to fuck you up  
Ain't gonna leave and you know I'm never gone fade  
Here it comes again, gotta burn again  
Time now, throw down, don't dirty me  
Right on your ugly-ass face 'cause  
I ain't the one who let you in  
And I ain't the one who set you off  
But I know damn well when someone's pushing my buttons  
Let tell you somethin', I'll push you back  
Soon as that camera is off, he's gonna fuck that little dog  
Gimme any reason why I'd need you, boy  
Gimme any reason why I'd need you, boy  
Gimme any reason why I'd need you, boy  
Gimme any reason not to fuck you up  
Gimme any reason why I'd need you, bitch  
Gimme any reason why I'd need you, bitch  
Gimme any reason why I'd need you, bitch  
Gimme any reason not to fuck you up  
You're made of flesh  
(What I'm focused on)  
You're made of flesh  
(What I'm focused on)  
You're made of flesh  
(What I'm focused on)  
You're made of flesh  
(What I'm focused on)  
You're made of flesh

(What I'm focused on)  
You're made of flesh  
(What I'm focused on)  
You're made of flesh  
(What I'm focused on)  
You're made of flesh
