You Are My Lady

Ray Sepulveda

There's something that I want to say
But words sometimes get in the way
I just want to show
My feelings for you
There's nothing that I'd rather do
Than spend ev'ry moment with you
I guess you should know
I love you so(Chorus 1:)
You are my lady
You're everything I need and more
You are my lady
You're all I'm living forThere's no way that I can resist
Your precious kiss
Girl, you've got me
So hypnotized
Just say that you'll stay with me (you'll stay)
'Cause our love was meant to be
I promise to love you
More each day(Chorus 2:)
You are my lady (my love)
You're everything I need and more (oh, oh, oh)
You are my lady
You're all I'm living for(Repeat chorus 2)(Bridge:)
I love your shine
(Shine, shine, shine)
Let's make it last
Until the end of time(Repeat chorus 2 until fade)
