

Teardrops from My Eyes

B.B. King

Come back to me, baby
I feel so all alone
It rained last night
And things ain't right
Without my baby home Every time it rains
I think of you
And that's the time
I feel so blue
When the rain starts falling
My love comes tumbling down
And it's raining
Teardrops from my eyes If you see clouds
Here in my eyes
It's just because
You said good-bye
Although the sun is shining
There's no more summer skies
'Cause it's raining
Teardrops from my eyes Remember the night you told me
Our love would always be
I wouldn't be blue and lonely
If you'd come back to me
Every single cloud
Would disappear
I'd wear a smile
If you were here
So baby, won't you hurry
Because I miss you so
And it's raining
Teardrops from my eyes
