

# Love to Be Loved by You

**Marc Terenzi**

I can't believe I'm standing here  
Been waiting for so many years and  
Today I found the queen to reign my heart.  
You changed my life so patiently  
And turned it into something good and real  
I feel just like I felt in all my dreams.

There are questions hard to answer, can't you see...Baby, tell me how can I tell you

That I love you more than life?  
Show me how can I show you  
That I'm blinded by your light.  
When you touch me, I can touch you  
To find out the dream is true.  
I love to be loved by you.  
You're looking kinda scared right now  
You're waiting for the wedding vows.  
But I don't know if my tongue's able to talk  
Your beauty is just blinding me  
Like sunbeams on a summer stream  
And I gotta close my eyes to protect me.

Can you take my hand and lead me from here please?Yeah, yeahBaby, tell me how can I tell you

That I love you more than life?  
Show me how can I show you  
That I'm blinded by your light.  
When you touch me I can touch you  
To find out the dream is true.

I love to be loved-  
I need to be loved -  
I love to be loved by you.  
I know they're gonna say

Our love's not strong enough tO last forever.  
And I know they're gonna say that we'll give up

Because of heavy weather.  
But how can they understand  
That our love is just heaven-sent  
We keep on going on and on

Cause this is where we both belong.Baby, tell me how can I tell you  
That I love you more than life?  
Show me how can I show you  
That I'm blinded by your light.

When you touch me I can touch you  
To find out the dream is true  
I love to be loved -  
I need, yes I need to be loved -  
I love to be loved by you.  
Yes, I love to be loved by you.
