## **Lips Are Movin**

## **Meghan Trainor**

If your lips are moving, if your lips are moving
If your lips are moving, then you're lyin', lyin', lyin', baby

If your lips are moving, if your lips are moving

If your lips are moving, then you're lyin', lyin', lyin', babyBoy, look at me in my face

Tell me that you're not just about this bass

You really think I could be replaced

Nah, I come from outer space

And I'm a classy girl, I'mma hold it up

You're full of something but it ain't love

And what we got, straight overdue

Go find somebody newYou can buy me diamond earrings and deny-ny-ny, ny-ny-ny, deny-ny But I smell her on your collar so goodbye-bye-bye, bye-bye-byeI know you lie

'Cause your lips are moving

Tell me do you think I'm dumb?

I might be young, but I ain't stupid

Talking around in circles with your tongue

I gave you bass, you gave me sweet talk

Saying how I'm your number one

But I know you lie

'Cause your lips are moving

Baby don't you know I'm doneIf your lips are moving, if your lips are moving

If your lips are moving, then you're lyin', lyin', lyin', baby

If your lips are moving, if your lips are moving

If your lips are moving, then you're lyin', lyin', lyin', babyHey baby don't you bring them tears

'Cause it's too late, too late baby

You only love me when you're here

You're so two-faced, two-faced babeYou can buy me diamond earrings and deny-ny-ny, ny-ny-ny, deny-ny

But I smell her on your collar so goodbye-bye-bye, bye-bye-byeI know you lie

'Cause your lips are moving

Tell me do you think I'm dumb?

I might be young, but I ain't stupid

Talking around in circles with your tongue

I gave you bass, you gave me sweet talk

Saying how I'm your number one

But I know you lie

'Cause your lips are moving

Baby don't you know I'm doneCome on, say!If your lips are moving, if your lips are moving

If your lips are moving, then you're lyin', lyin', lyin',

If your lips are moving, if your lips are moving

If your lips are moving, then you're lyin', lyin', lyin', I know you lie

'Cause your lips are moving

Tell me do you think I'm dumb?

I might be young, but I ain't stupid

Talking around in circles with your tongue

I gave you bass, you gave me sweet talk

Saying how I'm your number one

But I know you lie

'Cause your lips are moving

Baby don't you know I'm done
