

# Nothing's The Same

## Black Label Society

Lost again and all alone  
Lost again for I should have known  
So many storms, so many times I've died  
Another goodbyeCrash and burn, refuse to learn  
Your only friend that hides the scars that never mend  
This trip inside the dark, the never ending rain  
Kill the past, nothing's the same  
Nothing's the sameAll the faces once knew now all gone  
Days turn into years, rolling on  
So many storms, so many times I've died  
Another goodbyeCrash and burn, refuse to learn  
Your only friend that hides the scars that never mend  
This trip inside the dark, the never ending rain  
Kill the past, nothing's the same  
Nothing's the sameCrash and burn, refuse to learn  
Your only friend that hides the scars that never mend  
This trip inside the dark, the never ending rain  
Kill the past, nothing's the same
