Hi, I'm Angel
Tom Collins
I'm Paul, let's beginThere's only us
There's only thisSorry, excuse me, oops
And you are? Oh, I'm not
I'm just here to, I don't have
I'm here with, um, Mark
Mark, I'm Mark
Well, this is quite an operationSit down Mark
We'll continue the affirmationForget, regret or life is yours to miss
Excuse me Paul, I'm having a problem with this
This credo, My T-cells are low
I regret that news, okay?Alright
But Gordon, how do you feel today?
What do you mean?
How do you feel today?
Okay
Is that all?The best I've felt all year
Then why choose fear?
I'm a New Yorker
Fear's my lifeLook, I find some of what you teach suspect
Because I'm used to relying on intellect
But I try to open up to what I don't know
Because reason says, I should have died three years agoNo other road
No other way
No day but today
