

# There's a Light

**Beth Nielsen Chapman**

There's a light, there's a light in the darkness  
And the black of the night cannot harm us  
We can trust not to fear for our comfort is near  
There's a light, there's a light in the darknessIt will rain, it will rain in the desert  
In the cracks of the plain there's a treasure  
Like the thrust of the seed we will await, we believe  
It will rain, it will rain in the desertWe will fly, we will fly, we will let go  
To this world we, will die but our hearts know  
We'll see more on that side when the door opens wide  
We will fly, we will fly, we will fly, we will flyWe will all go
