Cotton Fields

Charley Pride

When I was a little bitty baby my mommy would rock me in the cradle
In them old cotton fields back home
When I was a little bitty baby my mommy would rock me in the cradle
In them old cotton fields back home
Well when of them cotton bolls get rotten you can't pick very much cotton
In them old cotton fields back home
Yes it was down in Louisiana just about a mile from Texarkana
In them old cotton fields back homeWhen I was a little bitty baby
Yes again in them old cotton fields back home
Well in them old I said cotton fields back home
