Advisory - the following lyrics contain explicit language:

Yo, wave your hands in the air if ya came to party, party  
Get down, baby, we get down  
Neptunes, Most Wanted, baby, we get down  
Come on, wave your hands in the air if ya came to party, party  
Get down, baby, we get down  
Neptunes, Most Wanted, baby, we get down Yo, yo, ayyo, who prefer to gain cheddar, find D and Tim' better  
Stay coppin' letters, take ya bitch if ya let her  
Clothes always sweaters, ain't nothin', I'm used to it  
I rock shit up top and match boots to it  
Major dough, ayyo, I'm fine and I'm able  
Six wit' a roof like a dinin' room table  
All glass so I'm gettin' all ass  
When y'all pass, see V-12's and haul ass Oo-Bay, I oo-day what I oo-day  
And don't care what a hater like you say  
Itch-day, ude-day want a ey-hay?  
O fle' like go away, that's what your daughter say  
I got fans in Japan, got land  
Block can't ice, hoes starin' like, 'Goddamn!'  
B-A-double L-one E-one R  
Two houses, one jeep, one car To the sunlight  
(We can get down, baby, we get down)  
To the moonlight  
(Shake it, baby, shake it, baby)  
To the sunlight  
(Now bounce for me, baby, bounce-bounce for me, baby)  
To the moonlight  
(I love the way that you do me, baby) Check, yo, see, I tore up the game when I jumped out the range  
Ice went bling from the watch to the chain  
Chicks on the dick like, 'What's that nigga' name?'  
I came here to bounce and to hollar at you, mami  
All in her ear like, 'Who b'ought you here?'  
Wanna drink? Order two, I'ma be right there'

Grab the glass real modest and flash the Cardiere  
Miss never seen a nigga like M-R-DotWho spit? Got jewels, man? I'm icy-hot  
If you ball like me, shot-call like me?  
You got a girl, playa, and me? Ya girl like me  
I dance wit' her now and deal wit' hate later  
Differentiate the playa from y'all haters  
Reiterate the phrase again, 'Y'all haters'  
Who got chips and don't gotta sip  
Rollout wit' chicks, tell 'em hop in the whipTo the sunlight  
(We can get down, baby, we get down)  
To the moonlight  
(Now shake it, baby, shake it, baby)  
To the sunlight  
(Now bounce for me, baby, bounce-bounce for me, baby)  
To the moonlight  
(Yo, I love the way that you do me, girl)There's something about you, boy  
That makes me want to be with you  
(What you say, what you say?)  
There's something about you, boy  
That makes me want to be with you  
(Come on, come on, yeah)Yo, yo, we doin', show 'em what the game like  
Wonder what the fame like?  
Known for hittin' two to four chicks in the same night  
Chicks can't tell me nothin', I got head

Niggas upset, I know his hoe Wentchy  
She throw them to his face, I got him by four inches  
He real upset, mad and heartbrokenShe told me not to pay him no mind and keep strokin'  
Yo, can they fuck wit' us? Uh-uh, hit hoes wit' us?  
Uh-uh, rip shows wit' us? Uh-uh, get dough wit' us?  
Uh-uh, niggas upset and mad, I'm so fly  
Playa, get it right, I'm like that 'til I die  
Ayyo, see me at the bar wit' ice, blow they eye  
Say you got hoes like me? Nigga, ya lie, never be like us, nigga  
But you can try, grease as she come on, ya chick cock riideTo the sunlight  
(We can get down, baby, we get down)  
To the moonlight  
(Shake it, baby, shake it, baby)  
To the sunlight  
(Now bounce for me, baby, bounce-bounce for me, baby)  
To the moonlight  
(Yo, I love the way that you do it, girl)There's something about you, boy  
That makes me want to be with you  
(I can't hear you, I can't hear you
