

# UHF

## UHF (Fra)

Put down your remote control, throw out your TV guide  
Put away your jacket, there's no need to go outside  
Don't you know, that we control the horizontal  
We control the vertical, too  
We gonna make a couch potato out of you  
That's what we gonna do now  
Don't change the channel, don't touch that dial  
We got it all on UHF  
Kick off your sneakers, stick around for a while  
We got it all on UHF  
Don't worry 'bout your laundry, forget about your job  
Just crank up the volume, and yank off the knob  
We got it all  
(We got it all)  
We got it all on UHF  
Disconnect the phone and leave the dishes in the sink  
You better put away your homework, prime time ain't no time to think  
All you do is make yourself a TV dinner  
Press your face right up against the screen  
We gonna show you thangs you ain't ever seen  
If you know what I mean, now  
Don't change the channel, don't touch that dial  
We got it all on UHF  
Kick off your sneakers, stick around for a while  
We got it all on UHF  
Don't worry 'bout your laundry, forget about your job  
Just crank up the volume, and yank off the knob  
We got it all  
(We got it all)  
We got it all on UHF  
You can watch us all day, you can watch us all night  
You can watch us any time that you please  
You can sit around and stare at the picture tube  
'Til your brain turns into cottage cheese, well, now  
Don't change the channel, don't touch that dial  
(We got it all on UHF)  
Kick off your sneakers, stick around for a while  
(We got it all on UHF)  
Don't worry 'bout your laundry, forget about your job  
You gotta crank up the volume, and yank off the knob  
We got it all  
(We got it all)  
We got it all on UHF  
We got it all on UHF  
We got it all on UHF  
We got it all on UHF
