## Low Roar

I laid by the phone  
There's no answer at all  
No reactions or bullshit replies  
The words you'd said  
And the colors you'd sent  
Well, they got lost  
Somewhere on the ride  
I can breathe  
But I forget sometimes  
I'm alive but I'm paralyzed  
Oh, now what am I to do?  
What am I gonna do? No, my faith is dead  
While my body lays drenched  
In the ashes of a forgotten time  
And it's hard when you come  
To realize someone's  
Path is headed elsewhere in life  
So baby walk your way  
I'll walk mine  
But I'll stop to think of you  
From time to time Oh, now what am I to do?  
What am I gonna do?  
So baby walk your way  
And I'll walk mine  
I know now my promises slept  
With your lies  
And I don't need you  
I don't need you  
Oh I need you
