Snow come down.

Lori Carson

I think you feel the way I feel though you don't want to say
I think you feel the way I feel though it's not the easy way
Wouldn't you like to be with me, watching the snow come down
Watching the snow come down, watching the snowI don't wanna cause you any pain, I just wanna love you
I don't wanna fuck up anything, I just wanna love you
And, I know you think I'm kinda strange
I just wanna love you, I just wanna love you
I just wanna love you, just wanna love youEvery time I see your face I can hardly breathe
Every time I see your face I feel stupid and happy
Wouldn't you like to be with me watching the snow come down
Watching the snow come down watching the snowI don't wanna cause you any pain, I just wanna love you
I don't wanna fuck up anything, I just want to love you
And, I know you think I'm kinda strange
I just wanna love you, I just wanna love you
I just wanna love you, just wanna love youI'd sure like to be with you watching the snow come down
Watching the snow come down, watching the snowI don't wanna cause you any pain, I'd give you the world
I don't wanna fuck up anything, I wanna be your girl
And I know you think I'm kinda strange
I just wanna love you, I just wanna love you
I just wanna love you, just wanna love youWatching the snow come down
Watching the snow come down
Watching the snow
