

Snow come down.

[Lori Carson](#)

I think you feel the way I feel though you don't want to say
I think you feel the way I feel though it's not the easy way
Wouldn't you like to be with me, watching the snow come down
Watching the snow come down, watching the snow I don't wanna cause you any pain, I just wanna love you
I don't wanna fuck up anything, I just wanna love you
And, I know you think I'm kinda strange
I just wanna love you, I just wanna love you
I just wanna love you, just wanna love you Every time I see your face I can hardly breathe
Every time I see your face I feel stupid and happy
Wouldn't you like to be with me watching the snow come down
Watching the snow come down watching the snow I don't wanna cause you any pain, I just wanna love you
I don't wanna fuck up anything, I just want to love you
And, I know you think I'm kinda strange
I just wanna love you, I just wanna love you
I just wanna love you, just wanna love you I'd sure like to be with you watching the snow come down
Watching the snow come down, watching the snow I don't wanna cause you any pain, I'd give you the world
I don't wanna fuck up anything, I wanna be your girl
And I know you think I'm kinda strange
I just wanna love you, I just wanna love you
I just wanna love you, just wanna love you Watching the snow come down
Watching the snow come down
Watching the snow
